## *Massages*

**Back, neck and shoulders:** medium pressure, relaxing, special technique on neck & shoulders.

**Relaxing:** medium pressure indicated to relax, muscle contractures are not treated.

**Hot stones:** brief relaxing manual massage followed by the stones massage and the placing of them on specific points of the body (not recommended for sensitive skin).

**Deep Tissue:** performed with more intense pressure than the relaxing but not decontracting.

**Therapeutic:** being the one with the highest pressure, it is ideal for decontract, it includes a special shoulder massage and is combined with joint stretching techniques.

**Full Body:** 70 min of relaxing massage with medium pressure, includes neck and shoulder massage. Concludes with a basic refreshing facial treatment

## *Body Treatments*

**Chocotherapy:** brief relaxing massage + full body exfoliation + body wrap + facial treatment

**Milk, honey & chocolate:** medium pressure relaxing massage made with cream and chocolate oil + full body exfoliation + milk and honey mask on face and body

**Exfoliations:** Relaxing medium-pressure massage ending with deep, full-body exfoliation (also offered in a package with facial treatment!)

## *Facial Treatments*

**Deep facial cleansing:** basic cleaning + exfoliation + use of steam and ozone therapy + high frequency application

**Peeling facial cleansing:** basic cleansing + exfoliation + use of steam and ozone therapy + high frequency application + ultrasonic peeling to extract impurities

## *Recommendations and Contraindications*

If you have **pre-existing injuries or ailments**, please inform the therapist.

Although we have a shower in the Spa, we appreciate that you show up already **showered**

Request your **robe** at Reception (*subject to availability*).

The **Hydromassage** and the **Scottish Shower** may have **contraindications** in cardiac patients and others, if in doubt, consult at Reception.

**Cancellations** 2 hours or less before treatment will be charged in full anyway.
